# SECURE YOUR USERS HARDWARE

With most businesses looking to work from home and utilise BYOD to help alleviate the need for hardware, user security should be high on your priority list to ensure your files, folders and emails remain free from malware, viruses and other potential threats.

User hardware now plays a vital role in company data security.

## Key Benefits:

- ✓ 30 Day Rolling Contract
- ✓ Malware Protection
- ✓ Virus Protection
- ✓ Compatible with:

Per User Per Month\*  
**£1.95**

Service	Pricing Model	Monthly Fee*	12 Month Contract Fee
Datto SaaS	Per User Per Month	<del>£3.50</del> <b>Now £2.00</b>	£2.00
Exclaimer	Per User Per Month	<del>£2.75</del> <b>Now £1.50</b>	£1.50
ESET AntiVirus	Per User Per Month	<del>£3.50</del> <b>Now £1.95</b>	£1.95

\*Promotional pricing is available for licences activated before 30 April 2020 and is available for a 3 month period only. After a 3 month period, normal monthly fees will apply as indicated in the above table. Should you wish to continue paying the lower price per user per month, you can sign up for a 12 month contract to access the lower monthly costs. Please note that we require 30 days' notice in writing to cancel the licences. All costs are exclusive of VAT and subject to consultation.
