

The Samsung Galaxy S20 FE 5G is an unexpected kind of phone made for the social generation. It's packed with the latest innovations. It looks the part with a choice of six vibrant colours, all featuring a sleek, matte finish.

An unexpected kind of phone made for the social generation. With the Galaxy S20 FE 5G your customers can have it all, for much less than they'd expect.

Users can experience an incredible camera packed with some of Samsung's greatest S20 pro-grade features. Making professional-looking photos possible, every day. This includes the 12MP Ultra-wide lens, incredible zoom features like the 30x Space Zoom and the 3x Optical Zoom, along with Samsung's clear as day Night Mode.

An immersive 6.5" Infinity-O Display, with a superfast 120Hz refresh rate and an On-Screen Fingerprint Scanner keeping your customers' favourite things secure with Samsung Knox security. All wrapped up in six different stand-out from the crowd colours, with a sleek, matte finish.

The Galaxy S20 FE 5G's intelligent, All-day Battery is built for those days that never seem to end. Plus, Super Fast Charging means they can power back up quickly.

You can enjoy peace of mind with Samsung's defence-grade security - Samsung Knox, built into Samsung's Galaxy devices as standard. Working in the background to keep everything you love secure.

Full of innovations, at an epic price.

Samsung Galaxy S20 FE 5G
