

The Nokia X20 lets you bring a fresh perspective to your work. With Dual Sight multi-cam, you can shoot videos from different angles at the same time. And with 5G speeds you can upload and share them in an instant.

#### Security that keeps getting safer

When it comes to protecting all your work files, social media data, videos and photos, there's no such thing as too safe. That's why the X20 comes with security updates every month for up to 3 years. One less thing to worry about.

#### Feel even better about your phone

An extended 3-year warranty means you can make your investment last. There's no plastic wall charger included, and with the 100% compostable case, Nokia have reduced the ecological impact of Nokia X20.

#### Zeiss Optics – Cinematic quality.

The 64 MP quad camera with ZEISS Optics and AI assist lets you shoot cinematic quality footage of grand landscapes, phenomenal close-ups, and vibrant portraits. There are also tools for colour grading and mode settings to help enhance your story.

#### The best of Android always

Powered by Android 11, ensuring compatibility with the latest apps and Android features. Plus, you're guaranteed up to 3 years of upgrades.

#### See the big picture

Take the strain out of checking emails, viewing presentations and catching up with colleagues thanks to the Full HD+ screen. And when you're done with the 9 'till 5, that same big 6.67" screen is perfect for watching movies or playing games.
