

Introducing the Samsung Galaxy Z Flip3 5G. Innovative, foldable and with a stunning, stylish design, it's sure to turn heads wherever your customers go. Packed with world-class power and performance, incredible features, defence-grade security and all the business tools they need.

With its 6.7" Dynamic AMOLED 2X display and a 120Hz Adaptive Refresh Rate, the Samsung Galaxy Z Flip3 lets your customers see their work in all its glory. Plus, True Stereo Sound means they can watch presentations, tune into a podcast, or collaborate on video calls with crystal clear audio quality.

Your customers can keep up to date without getting distracted. The Cover Display on the Samsung Galaxy Z Flip3 is ideal for when users want to keep on top of things but don't want to be interrupted.

The Multi Window feature on the Samsung Galaxy Z Flip3 helps users take multitasking to the next level. It lets them get to the apps they need quickly, so there's no endless scrolling. And with two apps open at once, they can check emails while browsing the web, or add notes to a presentation while talking to their team on a video call.

Samsung Knox defence-grade security makes sure users sensitive data remains completely protected. Plus, with face recognition and the side fingerprint scanner, only authorised users will be able to access their device.

Samsung Galaxy Z Flip3 5G
