

Introducing the Samsung Galaxy Z Fold3 5G. Innovative, foldable and with a stunning, stylish design, it's sure to turn heads wherever your customers go. Packed with world-class power and performance, incredible features, defence-grade security and all the business tools they need.

The Samsung Galaxy Z Fold3 is built with aluminium frames and scratch-resistant Gorilla Glass Victus, so it's protected against accidental bumps and scrapes. And with IPX8 water resistance, your customers can work on the move.

The fully foldable 7.6" Dynamic AMOLED 2X display with 120Hz adaptive refresh rate on the Samsung Galaxy Z Fold3 gives them space to run multiple apps. The Galaxy Z Fold3 is also compatible with the S Pen, so they can scribble notes or update documents.

Samsung's partnership with Microsoft provides a fully optimised suite of key business apps, including Office 365, Teams and Outlook. Plus, with Samsung DeX, they can wirelessly connect their presentations to a big screen or work across multiple screens.

With an impressive 4,400mAh battery, the Samsung Galaxy Z Fold3 has more than enough power to keep up through the busiest workday

Samsung Knox defence-grade security makes sure user's sensitive data remains completely protected.
