

Whether creating content or sharing it with friends, the Galaxy A04s has received upgrades to the camera system meaning your customers can snap the best shots and selfies like never before.

The Galaxy A04s lets them experience the new era of photography with four dedicated cameras at their fingertips. The Triple Rear Camera includes a 50MP Main Camera, a 2MP Refined Macro Camera and a 2MP Depth Camera. The Galaxy A04s also has a 5MP Selfie Camera, which comes with Selfie Focus meaning your customers can now up their selfie game like never before.

The Galaxy A04s has an improved 90hz refresh rate with a Haze & Matt effect appearance, allowing for a comfortable grip on its smooth curves.

The Galaxy A04s features a large 5,000mAh battery that lets your customers enjoy their phone for longer, meaning they can focus on what's most important to them, whether that be streaming their favourite shows or scrolling through their social media channels.

Working seamlessly with other Galaxy devices gives your customers a fully connected Galaxy ecosystem experience. Audio options are expanded by connecting the Galaxy Buds series. When it's time to get productive, your customers can use Link to Windows to connect their A04s to a Windows PC to copy and paste, transfer files and even answer calls or texts.

Samsung Galaxy A04s

Specification
