

Samsung Galaxy Tab A7 Lite

Specification

The Samsung Galaxy Tab A7 Lite is the carry-along companion for on-the-go content at an affordable price. With an 8.7" screen housed in a sleek, durable metal cover, the compact Galaxy Tab A7 Lite is ultra-portable. Slim bezels around the display and powerful Dual Speakers with Dolby Atmos on Galaxy Tab A7 Lite bring your customers closer to their content.

With up to 64GB of internal storage, expandable up to 1 TB with a MicroSD card, there's plenty of space, and the Octa-core processor helps ensure content will play smoothly and quickly.

Your customers can easily navigate their tablet with one hand. A gesture-based menu allows them to do things like go back, see their recent apps and return to the home menu all with a swipe of their thumb.

The Galaxy Tab A7 Lite camera is ready to capture and share their moment. Whether they're looking to capture stunning portraits or breathtaking scenery, this device has them covered.

Galaxy Tab A7 Lite carries more power than your customers expect in a device this sleek. The 5,100mAh battery gives them the freedom to forget about the charger for long periods of time.

Samsung Knox delivers defence-grade security. Your customer's private data is protected from most malware and malicious attacks by leveraging the hardware-backed and multi-layered Knox security platform.
