

Your customers can power up their performance with our toughest premium tablet

With Armour Aluminium^[1] and IP68 water and dust resistance^[2], the Samsung Galaxy Tab S9 Ultra is built to last, and then some, in the boardroom, in the field or anywhere they're working. Plus, with biometric authentication, they can feel confident their device and sensitive data are totally secure wherever they're working. The Tab S9 Ultra's Dynamic AMOLED 2X display, with Vision Booster, means they can be sure it will show their work off to its fullest. With enhanced contrast, colour and skin tones, everything from spreadsheets to video calls to presentations will be clear and sharp. Plus, with the included S Pen, they can capture all their best business ideas as soon as they hit – writing notes or drawing diagrams straight onto their tablet. Talk about quick thinking.

[1] Armour Aluminium Aircraft grade series 7000

[2] IP68 rating is based on lab test conditions for submersion in up to 1.5 meters of freshwater for up to 30 minutes. Not advised for beach or pool use

Samsung Galaxy Tab S9 Ultra
